

AMBASSADORS WANTED

Are you close with **Passerelles numériques** and our project ?
Are you convinced that digital inclusion for youth is a good way to
reduce poverty all over the world ?
Are you ready to have an impact where you live ?
Then this mission is for YOU.

Become a PN ambassador today !

Your mission

Our ambassadors represent our organization, where they leverage their personal and professional network to help PN succeed.

To become an ambassador, you shall be able **to talk about our mission** : count a few success stories, have a good idea of our selection process, the level of poverty of our students, and be familiar with our impact.

An ambassador is showing a **genuine interest in our operations** and wishes and supports PN to grow to be even more impactful.

How can you contribute ?

Here are some suggestions our ambassadors can contribute:

- Increase PN's visibility by sharing about our mission (at a conference, cocktail party, presentation, written article, blog post, or even sharing and liking our posts on social media)
- Participate in, or organize, a sporting event like a walk, run, game, or challenge that might benefit PN.
- Throw a fundraiser like a gala, play, concert, tournament in the name of PN.
- Share some of your quality contacts with PN's internal fundraising team (companies, foundations, individuals...).
- Your ideas are welcome. Please share yours. Be creative !

Specifics

- This is a volunteer mission
- Most expenses are not covered by PN (exception for fundraising events).
- Ambassadors act autonomously but in close collaboration with the PN team.
- Ambassadors will have access to all the tools they need and the PN team will always be there to support them.

Join a network!

- Join a network of PN Ambassadors all over the world in places like : Paris, Singapore, New York, Hong Kong, Geneva, Lyon, Nantes, and beyond !
- Join annual meetings to network with PN and other ambassadors.
